

AI Powered Caregiver Engagement

Empowering Caregivers, Improving Satisfaction Score

Managing a remote caregiving workforce can make it difficult to gauge engagement, but the impact of poor engagement is clear: it leads to-

1. High turnover
3. Reduced care quality,
3. Threaten the survival of home care agencies.

According to the Home Care Pulse News, caregiver turnover has surged by 79.2%, prompting agencies to seek solutions for improving retention and engagement.
